

PUBLICATIONS LIST OF Dr. Anil K. Rajvanshi

Director, [Nimbkar Agricultural Research Institute](#),
P.O. Box 44, PHALTAN 415 523, INDIA.
(Updated till October 2009)

I. JOURNALS PAPERS

1. Hsieh, C. K. and Rajvanshi, A. K., "Effect of Dropwise Condensation on Solar Glass Properties", **Solar Energy**, Vol. 19, No. 4, 1977.
2. Rajvanshi, A. K., "[Large Scale Desalination of SeaWater Using Solar Energy](#)", **Solar Energy**, Vol. 24, No. 6, 1980.
3. Rajvanshi, A. K., "[Dew Condensation as a means of large scale production of fresh water](#)", **Journal of Desalination**, Vol. 36, No. 3, 1981.
4. Rajvanshi, A., "Effect of Various Dyes on Solar Distillation", **Solar Energy**, Vol. 27, No. 1, 1981.
5. Rajvanshi, A. K., "Light for every Household" - A Need for Development of Kerosene Lantern" **Changing Villages**, Vol. 6, No. 3, May-June 1984.
6. Rajvanshi, A. K., "Potential of Briquettes from Farm Residues as Rural Energy Source", **Changing Villages**, Vol. 7, No. 3, May-June 1985.
7. Rajvanshi, A. K. and Joshi, M. S., "Development and Operation Experience with Topless Wood Gasifier Running a 3.75 kW Diesel Engine Pumpset", **Biomass**, Vol. 19, Nos. 1 & 2, 1989, p. 47-56.
8. Rajvanshi, A. K., "Strategy for Rural Lighting", **Urja**, Vol. 25, No. 5, May 1989, p. 7-8.
9. Rajvanshi, A. K., "Ethanol from Sweet Sorghum for use as Cooking and Lighting Fuel", Published in the book entitled **Spirit of Enterprise - The 1990 Rolex Awards** (ed. D. W. Reed), pp. 109-111. Published by Buri International, Switzerland, 1990.
10. Rajvanshi, A. K., "[Development of Technologies for Rural Areas - Need for New Thinking](#)", 'Moving Technology', Vol. 7, No. 1, CAPART, New Delhi. March 1992.
11. Jorapur, R. M. and Rajvanshi, A. K., "Operating Experience and Economics of a 15 kVA Genset-Gasifier System Running on Chopped Sugarcane Leaves", In Recent Advances in **Biomass Gasification and Combustion**, pp. 257-273 (Ed. P. J. Paul and H. S. Mukunda), Published by Interline Publishing Bangalore, India 1993.
12. Rajvanshi, A. K. and Jorapur, R. M., "Leafy Biomass Gasifier for 15 kVA Diesel Genset", Published in **Advances in Thermochemical Biomass Conversion**, Vol. I, pp. 314-324 (Ed. A. V. Bridgewater). Published by Blackie Academic and Professional, London.
13. Jorapur, R. M. and Rajvanshi, A. K., "Development of Sugarcane Leaves Gasifier for Electricity Generation", **Biomass and Bioenergy** Vol. 8 No. 2, pp. 91-98 (1995).
14. Rajvanshi, A. K., "[Energy Self Sufficient Talukas - A Solution to National Energy Crisis](#)", **Economic and Political Weekly**, Vol. XXX, No. 51, pp. 3315-3319, Dec 23, 1995.
15. Jorapur, R.M. and Rajvanshi, A. K., "[Sugarcane Leaf-Bagasse Gasifiers for Industrial Heating Applications](#)", **Biomass and Bioenergy**, Vol. 13, No. 3, pp. 141-146, 1997.
16. Rajvanshi, A.K., "Cycle rickshaws as a sustainable transport system for developing countries", **HUMAN POWER**, Number 49, pp.15-18, Winter 1999-2000.
17. Rajvanshi, A.K., " Electric cycle rickshaws as a sustainable transport system for developing countries", **World Sustainable Energy Journal**, Vol 5, No. 3, December 2001.
18. Rajvanshi, A.K., "[Talukas can provide critical mass for India's sustainable development](#)", **Current Science**, Vol. 82, No. 6, 25 March 2002.
19. Rajvanshi, A.K., " Sweet Alchemy", **Times Agriculture Journal (TAJ)**, Vol.1, Issue 4, May-June 2002
20. Rajvanshi, A.K., "[Electric and improved cycle rickshaw as a sustainable transport system for India](#)", **Current Science**, Vol. 83, No. 6, 25 September 2002 .
21. Rajvanshi, A.K., "[R&D strategy for cooking and lighting energy for rural households](#)", **Current**

- Science**, Vol. 85, No. 4, 25 August 2003.
22. Rajvanshi, A.K., "[Rocket Science for Rural Development](#)", SciDev.net, May 2005.
 23. Rajvanshi, A. K. Sustainable development of India – A Gandhian approach, Anasakti Darshan, Vol. I, No. 1, January-June, 2005. Published by Gandhi Smriti and Darshan Samiti, New Delhi. 2005.
 24. Rajvanshi, Anil K. "Rural research priorities", Pi Tech (a Pan IIT Tech Review Magazine), Vol. 1, Issue 3 (December 2006), p. 68.
 25. Rajvanshi, Anil K. "How NRIs can help in poverty alleviation", Catalyst for Human Development, January 2007, p. 44.
 26. Rajvanshi, Anil K. "[Nikola Tesla – The creator of electric age](#)", Resonance, Vol. 12, No. 3, March 2007. pp. 4-12.
 27. Rajvanshi, Anil K., Patil, S. M. and Mendonca, B. "[Low concentration ethanol stoves for rural areas in India](#)", Energy for Sustainable Development, Vol. XI, No. 1, March 2007, pp. 94-100. (A picture of the stove was put on the cover of the journal).
 28. Rajvanshi, Anil K. Energy for rural poor – challenge for global community. Current Science 10 September, 2007. 93 (5) : 621-627.
 29. Rajvanshi, Anil K. "Irving Langmuir – A Pioneering Industrial Physical Chemist", Resonance, Vol. 13, No. 7, July 2008.
 30. Rajvanshi, Anil K. "Langmuir Approach to Rural Development", General article, Current Science, Vol. 95, No. 7, 10 October 2008.

II. PAPERS IN PROCEEDINGS AND CONFERENCES

1. Rajvanshi, A. K., Ravichandran, N. and Kadambi, V., "Efficiency and Length Consideration of a Cylindrical Solar Water Heater", Proceedings of Fifth Meeting of **All India Solar Energy Working Group**, I.I.T., Madras (1973).
2. Hsieh, C. K., Rajvanshi, A. K. and Su, K. C., "Design and Modification of Glass Properties by Means of Surface Coatings", Proceedings of **Flat Plate Solar Collector Conference**, Orlando, Florida, February 20-March 2, 1977.
3. Rajvanshi, A. K. and Hsieh, C. K., "Effect of Dye on Solar Distillation - Analysis and Experimental Evaluation", Proceedings of the **1979 International Solar Energy Society Congress**, Atlanta, Georgia, U.S.A.1979.
4. Rajvanshi, A. K., "Preliminary Experience with a Throat less Gasifier cum Engine System", Paper presented at Third Workshop on **Alternative Energy Resources and Development Coal Conversion and Biomass Conversion**, New Delhi, December 5-7, 1985.
5. Rajvanshi, A. K., "Solarly Distilled Ethanol from Sweet Sorghum as Cooking Fuel", Paper presented at **Second International Symposium on Food-Energy Nexus and Ecosystem**, New Delhi, February 12-14, 1986.
6. Rajvanshi, A. K., and Joshi, M. S. "Development of Small (3-5 KW Gasifier for Rural Water Pumping Application", Presented at **Third Annual Conversion of Bio Energy Society of India**, Pune, Nov. 30-Dec. 2, 1986.
7. Rajvanshi, A. K., "Energy Options for Maharashtra", Discussion Paper in Maharashtra Conference organized by **Y. B. Chavan Pratishthan**, Bombay, May 2-4, 1986.
8. Rajvanshi, A. K. and Jorapur, R. M., "Use of Solar Distilled Ethanol from Sweet Sorghum as Cooking and Lighting Fuel", Proceedings of the **National Seminar on Alternative Uses of Sorghum** held at Parbhani on Feb. 2-3, 1987. pp. 189-196.
9. Rajvanshi, A. K. and Jorapur, R. M., "Pilot Plant for Solar Distillation of Ethanol from Sweet Sorghum Feed Stock", Proceedings of **ISES Solar World Congress, Hamburg**, West Germany, Sept. 13-18, 1987.
10. Rajvanshi, A. K. and Joshi, M. S., "Operational Experience with Topless Wood Gasifier Running a 3.75 KW Diesel Engine Pumpset", Proceedings of **ISES Solar World Congress, Hamburg**, West Germany, Sept. 13-18, 1987.
11. Rajvanshi, A. K., "Analysis of 5 MW Wood-fired Power Plant", Presented at **Fifth Annual Convention of Bio-Energy Society of India**, Vadodara on October 30-31, 1988.
12. Jorapur, R. M. And Rajvanshi, A. K., "[Alcohol Distillation by Solar Energy](#)", Proceedings

- of **1991 ISES Solar World Congress**, Vol. I, Part II (pg. 772-777) Denver, Colorado, U.S.A., August 19-23, 1991.
13. Rajvanshi, A. K. and Zende, N. J., "[Production of Water from Soil by Solar Energy for Biomass Energy Plantation](#)", Proceedings of **1991 ISES Solar World Congress**, Vol. I, Part II (pg. 843-848) Denver, Colorado, U.S.A., August 19-23, 1991.
 14. Rajvanshi, A. K., "Lighting Strategies for Rural Areas of India", Proceedings of **PRAKASH 91 - International Conference on Lighting Technology** (Oct. 7-13, 1991, New Delhi), Published by Indian Society of Lighting Engineers, New Delhi, p. 222-226.
 15. Jorapur, R. M., Gadgil, C. M. and Rajvanshi, A. K., "Performance of a 15 kVA Genset - Gasifier System Running on Loose Sugarcane Leaves", Presented at Third **National Technical Meet on Recent Advances in Biomass Gasification Technology**, Vadodara, 28-29 November 1991.
 16. Rajvanshi, A. K., "Gasification/Pyrolysis Research and Development - Some Possibilities", Presented at the Third **National Technical Meet on Recent Advances in Biomass Gasification Technology**, Vadodara, 28-29 November 1991.
 17. Jorapur, R. M. and Rajvanshi, A. K., "Development of a Low Density Biomass Gasification System", Proceedings **28th Intersociety Energy Conversion Engineering Conference (IECEC) Atlanta**, Vol. 2, pp. 2443-2448, Published by ACS, Washington, U.S.A. (1993).
 18. Rajvanshi, A. K., "Development of Renewable Energy Technologies for Third World - A need for International Cooperation", Proceedings of **28th Intersociety Energy Conversion Engineering Conference (IECEC)**, Atlanta, Georgia (U.S.A.) August 8-13, 1993. Vol. 2, pp. 2419-2424. Published by American Chemical Society, Washington, U.S.A. (1993).
 19. Rajvanshi, A. K., "Biomass Energy - A panacea for developing countries", Invited paper in **BioResources'94** an International Conference in Bangalore, Oct. 3-7, 1994.
 20. Rajvanshi, A. K., R. M. Jorapur and N. Nimbkar, "Sweet Sorghum R & D for Food and Fuel", Invited paper presented at **Sugar Technologists Association of India Annual Convention**, Pune, 23-25 September 1994.
 21. Rajvanshi, A. K., and Nimbkar, N., "[Sweet Sorghum R & D at the NARI](#)" Paper presented at **First European Seminar on Sorghum for Energy and Industry** held at Toulouse, France, 1-3, April 1996.
 22. Rajvanshi, A. K., "[Sustainable Energy Development - A Gandhian Approach](#)", Invited paper at **Seminar on Relevance of Gandhi Today**, Organized by Center of Cellular and Molecular Biology (CCMB), Hyderabad, June 8-9, 1996.
 23. Nimbkar Nandini and Rajvanshi, Anil K., "Research on Sweet Sorghum in India. Part I -Resource Development", Proceedings of the **The First International Sweet Sorghum Conference** held in Beijing, September 15-19, 1997. pg. 17.
 24. Rajvanshi, Anil K, and Nimbkar, Nandini, "Research on Sweet Sorghum in India. Part II - Technology Development", Proceedings of **The First International Sweet Sorghum Conference** held in Beijing, September 15-19, 1997. pg. 9.
 25. Rajvanshi, Anil K. "Sustainable Energy Development through Biomass and North-South Cooperation for Energy Development", Invited lectures given to a joint seminar arranged by Depts. Of Mechanical Engineering and Biomass Research Center, University of Florida, Gainesville, U.S.A., Sept. 16, 1997.
 26. Rajvanshi, Anil K., "Electric Cycle Rickshaws as a Sustainable Transport System for Developing Countries", Proceedings of the **International Symposium on Automotive Electronics and Alternative Energy Vehicles** held in I.I.T. Kanpur, November 19-21, 1999. Pp. 348-356
 27. Rajvanshi, Anil K., "Sustainable Transport System for Developing Countries", Invited paper at **International Conference on Sustainable Energy and Environment**, held at BSES Management Institute, Mumbai, August 17-19, 2000.
 28. Rajvanshi, Anil K., "R&D for Sustainable development", Invited lecture given to students and staff of IIT, Guwahati, October 2002.
 29. Rajvanshi, A.K., "Sustainable development strategy for India", Invited seminar at Auroville, Pondicherry, February 18, 2003.
 30. Rajvanshi, Anil K., "Wealth creation from safflower and sweet sorghum crops", Invited paper in Seminar on **Regional Agro-wealth; opportunities for value Addition and Exports**, held at BARC, Mumbai, March 28-29, 2003.

31. Rajvanshi, Anil K., "Renewable Energy Strategy for Rural India", Invited paper in Proceedings of International Congress on Renewable Energy 2005 (ICORE-2005), 20-22 January 2005, Pune, India. Published by Allied Publishers Pvt. Ltd., India. Pp21-26.
32. Rajvanshi, Anil K., "Nature Conservation + Spirituality = Sustainability", Proceedings of ISES 2005 Solar World Congress, August 6-12, 2005. Published by ASES, USA.
33. Rajvanshi, Anil K., "Development of Safflower Petal Collector", Proceedings of Sixth International Safflower Conference, Istanbul, Turkey, June 6-10, 2005. Published by Engin Maatbacilik Ltd, Istanbul, Turkey.
34. Rajvanshi, A. K. 2005. Rocket Science for rural development : Ideas for implementation, In Proceedings of the 10th Annual meeting of NCIIA, held in Portland, Oregon, U.S.A. April 2005, pp. 291-294. http://www.nciia.org/conf_06/papers/pdf/rajvanshi.pdf.
35. Lindner, Angela, S., Stanfill, R. Keith, Hodges, Mark and Rajvanshi, Anil K. 2006. "Expanding the boundaries of design of products and progress for solution to the problems in developing world", Proceedings of the 9th International Conference on Engineering Education, San Juan, Puerto Rico, July 23-28, 2006. <http://fic.eugrng.pitt.edu/icec2006/papers/3468.pdf>.
36. Lindner, A. and Rajvanshi, Anil K. "Fostering engineering innovation and education across boundaries; A proposed model for collaboration between a U.S. university and a developing country NGO", Proceedings of National Collegiate Inventors and Innovators Alliance (NCIIA) 11th Annual Meeting, March 22-24, 2007, Tampa, Florida, p. 215. www.nciia.org.
37. Lindner, A., Stanfill, K., Hodges, M. and Rajvanshi, Anil K. "Expanding the Boundaries of Design of Products and Processes for Solutions to Problems in Developing World", Proceedings of 9th International Conference on Engineering Education (ICEE), Paper R3F-16, San Juan, PR, USA. July 23-28, 2006. <http://fie.engrng.pitt.edu/icee2006/papers/3468.pdf>.
38. Rajvanshi, Anil K. "Sustainable energy for rural development", Invited talk given at PAN-IIT 2006 conference, 23-25 December, 2006 in Mumbai. Published in Proceedings of PAN IIT lectures. p. 95.
39. Rajvanshi, Anil K., Patil, S. M. and Mendonca, B. "Development of stove running on low ethanol concentration", Proceedings of NCIIA 11th Annual Meeting, March 22-24, 2007, Tampa, Florida, p. 223.
40. Rajvanshi, Anil K., Singh, V. and Nimbkar, N. "Biofuel-Promise and Prospects", A thematic lecture given at National Conference entitled "Changing Global Vegetable Oils Scenario : Issues and Challenges before India", January 29-31, 2007, Hyderabad, and organized by Indian Society of Oilseeds Research. Paper published in Proceedings of the conference (D. M. Hegde Editor), pp. 247-262.
41. Rajvanshi Anil K. Sustainable energy for rural development. In : Proceedings of International Conference on China Rural Energy Development, Beijing. Nov. 23, 2007. Published by ONELG, China and UNDP, New York.

III. TECHNICAL REPORTS/DISSERTATIONS

1. Rajvanshi, A. K., "Analytical and Experimental Investigation of the Effect of Dyes on Solar Distillation", Doctoral Dissertation, Department of Mechanical Engineering, **University of Florida, Gainesville, U.S.A. 1979.**
2. Gross, William A. and Rajvanshi, A. K., "Kerosene Stove Investigation", Report submitted to **Volunteers in Technical Assistance (VITA)**, Maryland, U.S.A., July 1981.
3. Rajvanshi, A. K., "Distillation of Ethyl Alcohol from Fermented Sweet Sorghum Solution by Solar Energy", Final Project Report submitted to **Department of Non-conventional Energy Sources (DNES)**, New Delhi, June 1984. 79 pp.
4. Rajvanshi, A. K., Annual Report of **Nimbkar Agricultural Research Institute** Activities in Energy, NARI, March 1986.
5. Rajvanshi, A. K., "Design and Development of Improved Lantern for Rural Areas", Project Report submitted to **Advisory Board on Energy**, Govt. of India, New Delhi, May 1987.
6. Rajvanshi, A. K. and Sudhir Kumar, "[Design and Development of Improved Lantern for Rural Areas](#)", Published by **NARI**, Phaltan, Dec. 1987.
7. Rajvanshi, A. K., "Development of Small (3-5 KW) Producer Gas Plant Running on Locally Available Biomass", Final Project Report submitted to **Department of Non-conventional Energy**

- Sources (DNES)**, New Delhi, Jan. 1988 (pg. 48).
8. Rajvanshi, A. K., Supplementary Report on "Design and Development of Improved Lantern for Rural Areas", submitted to **Advisory Board on Energy**, Govt. of India, New Delhi, June 1988.
 9. Rajvanshi, A. K., "Pilot Plant for Distillation of Ethyl Alcohol from Fermented Sweet Sorghum Juice by Solar Energy - Phase II", Final Project Report submitted to **Department of Non-conventional Energy Sources (DNES)**, New Delhi, Nov. 1988 (pg. 64).
 10. Rajvanshi, A. K., Jorapur, R. M. and Nandini Nimbkar, "Ethanol from Sweet Sorghum", publication No. NARI-ALC-1 (1989) of **Nimbkar Agricultural Research Institute**, Phaltan 415523, Maharashtra, 8 pp. 1989.
 11. Rajvanshi, A. K. and Sudhir Kumar, "Development of Improved Lanterns for Rural Areas", Publication No. NARI-LAN-1 (1989) of **Nimbkar Agricultural Research Institute**, Phaltan 415523, Maharashtra, August 1989. 4 pp.
 12. Rajvanshi, A. K. and Jorapur, R. M., "Techno-economic Feasibility Study of Setting up a 10 MW Biomass based Power Station in a Taluka in Maharashtra", Final Project Report submitted to **ICICI, Bombay under the PACER** program, May 1991 (pg. 128).
 13. Rajvanshi, A. K. and Jorapur, R. M., "Design and Development of 10-15 kW Gasifier Running on Loose Sugarcane Leaves", Final Project Report submitted to Department of Non-conventional Energy Sources (**DNES**), Ministry of Energy, Govt. of India, New Delhi, May 1992 (pg. 159).
 14. Rajvanshi, A. K., De, T. K. and Jorapur, R. M., "Development of Propagation of Efficient Gur Making Technology for Rural Areas", Final Project Report submitted to **Council for Advancement of People's Action & Rural Technology (CAPART)**, New Delhi, November 1992 (pg. 198).
 15. Rajvanshi, A. K., De, T. K., Jorapur, R. M. and Nimbkar, N., "Jaggery and Syrup from Sweet Sorghum", Publication No. NARI-GUR (1993), Published by Nimbkar Agricultural Research Institute (**NARI**), Phaltan, pp. 12 (March 1993).
 16. Rajvanshi, A. K. and Jorapur, R. M., "Development of Leafy Biomass Gasification Systems", Publication No. NARI-GS-1 (1993), Published by Nimbkar Agricultural Research Institute (**NARI**), Phaltan, pp. 12 (March 1993).
 17. Rajvanshi, A. K., "Use of Low Density Biomass Gasification System for Process Heat Applications in Metallurgical and Agro-Based Industry", Final Project Report submitted to **Rockefeller Foundation**, New York, January 1996, pp. 59.
 18. Rajvanshi, A.K., "Renewable Energy R&D at NARI", A 54 page booklet published by Nimbkar Agricultural Research Institute (**NARI**), Phaltan, January 1997.
 19. Rajvanshi, A. K., "Improved Candoluminescent materials for Kerosine Lanterns for Rural Areas", Annual Report submitted to **Department of Science and Technology (DST)**, New Delhi, March 1997, pg. 20.
 20. Rajvanshi, A. K., "Solar Detoxification of Distillery Waste", Annual Project report submitted to **Ministry of Non-conventional Energy Sources (MNES)**, New Delhi, April 1997, pg. 12.
 21. Rajvanshi, A. K. and Jorapur, R. M., "Development of Technology for Producing Jaggery and Syrup from Sweet Sorghum", Final Project Report submitted to **Indian Council of Agricultural Research (ICAR)**, New Delhi, April 1997, pg. 72.
 22. Rajvanshi, A.K., "Feasibility of Electric Cycle Rickshaw for Rural and Urban Transport in India", Final Project report submitted to **E&Co**, Energy House, Bloomfield, New Jersey, USA. 1997.
 23. Rajvanshi, A.K., "New Candoluminescent Materials for Kerosine Lanterns for Rural Areas", Final Project Report submitted to **D.S.T.**, Govt. Of India, New Delhi, March 1998.
 24. Rajvanshi, A.K., "Solar Detoxification of Distillery Waste", Final Project Report to Ministry of Non-conventional Energy Sources(**MNES**), Govt. of India, New Delhi, June 1999. Pgs.72
 25. Rajvanshi, A.K., "Development of Electric Cycle Rickshaw", Final Project Report to **MNES**, New Delhi, May 2000.
 26. Rajvanshi, A.K., "[Technology Development for Safflower Petal Collection](#)", Annual Report to Indian Council of Agricultural research (**ICAR**), New Delhi, March 2002
 27. Rajvanshi, A.K., "Development, Demonstration and Performance Evaluation of Battery Operated Cycle Rickshaw", Final Project report to **MNES**, New Delhi, June 2002. Pgs.34
 28. Rajvanshi, A.K., "Solar Catalyzed Chemo-oxidation of Distillery Waste", Annual progress report to **MNES**, New Delhi, July 2002. Pgs.58
 29. Rajvanshi, A.K., "Technology development for safflower petal collection", Final project

- Report to Indian Council of Agricultural Research (**ICAR**), New Delhi, July 2003, Pg. 70.
30. Rajvanshi, A.K., " Solar catalyzed Chemo-oxidation of Distillery Waste", Annual project report to **MNES**, New Delhi, August 2003, Pg. 65.
 31. Rajvanshi, A.K., and N. Nimbkar, " Solar catalyzed Chemo-oxidation of Distillery Waste (Phase II- Pilot Plant), Final Project Report to MNES, New Delhi, April 2004, pg. 127.
 32. Rajvanshi, A.K., S.M.Patil and Y.H.Shaikh, " Development of Stove Running on Low Ethanol Concentration", Final project report submitted to Ministry of New and Renewable Energy, Govt. of India, New Delhi, April 2006. 119 pp.
 33. Jacob, A. and Rajvanshi, Anil K. "Long-term weather trends in western Maharashtra", <http://nariphaltan.virtualave.net/weather.pdf> (October 2006).
 34. Rajvanshi, Anil K. "Ethanol Lantern for Rural Areas", Final Project Report to Department of Science and Technology, Government of India, April 2009, pp. 65.

IV. POPULAR ARTICLES

1. Rajvanshi, A. K., "An Answer to Energy Crisis in India - Solar Energy", Editorial article published in **Hindustan** (Hindi Daily), October 18, 1974.
2. Rajvanshi, A. K., "Decentralized Technologies of Power", Editorial article published in **Indian Express**, January 20, 1978.
3. Rajvanshi, A. K., "Producer Gas from Biomass", Editorial article published in **Indian Express**, January 1983.
4. Rajvanshi, A. K., "Briquetting of Farm Residues", Article published in **Indian Express**, October 12, 1983.
5. Rajvanshi, A. K., "Liquid Fuels for Cooking", Editorial article in **Indian Express**, June 18, 1985.
